

The Board of Directors of The Dorothy Ley Hospice are very pleased to announce the appointment of Ms. Dipti Purbhoo to the position of Executive Director. Dipti is a registered nurse with over 20 years of experience in home and community healthcare, encompassing several roles. Dipti held the position of Senior Director of Client Services at the former Toronto Central CCAC for six years where she was responsible for the delivery of high-quality home and community care services.

Dipti has also worked to improve palliative care services for many years at the provincial, LHIN and community level. She is a creative and innovative leader and has implemented new models of care to improve the experiences of clients and caregivers. Most notably, she co-led the development and implementation of the Toronto Central Integrated Palliative Care program that won the Health Minister's Medal for excellence in quality and safety in 2014. At her core, Dipti is a collaborator and works with staff, volunteers, clients, their families, and partners across all sectors, and levels of government to advance better care and experiences for clients and their families.

Additionally, Dipti holds a Master's of Health Administration degree from the University of Toronto and a Master's of Health Science degree in Nursing from McGill University.

Dipti is deeply passionate about improving access to hospice palliative care for all individuals facing a life limiting illness. She is very excited to join the staff, volunteers and board of Dorothy Ley Hospice and working with us towards achieving excellence in hospice palliative care. Dipti will commence her role on Monday April 1, 2019.

Please join us in welcoming Dipti to Dorothy Ley Hospice.
