

Hospice Palliative Care Volunteer Training

Fall 2019

Volunteers at the Dorothy Ley Hospice provide support and companionship to individuals living at home with life limiting illness, as well as respite for families and caregivers. They can also provide Bereavement Support, Spiritual Care Support, and complementary therapies such as Therapeutic Touch, Reiki and Gentle hand and foot massage. Our dedicated volunteers give 4 hours a week of their time to make a difference in the lives of others. All of our volunteers complete a 30-hour training program.
